

The background of the advertisement is a dark, textured blue. On the right side, there are dynamic, flowing patterns of golden-brown liquid, resembling coffee being poured or splashed, which adds a sense of movement and richness to the composition.

**NESPRESSO®**

**THE BEGINNING OF  
SOMETHING GREAT**

# GETTING TO KNOW YOUR MACHINE

It's nearly time to make your first **Nespresso** coffee. If you haven't done so, register your machine. You'll be able to enjoy all the aftersales services and it will be easier to contact us if you need any advice.

To get the best out of your machine, please read the operating and safety instructions. Then fill the water tank, plug your machine in and switch it on. Please rinse the system. Done that? Now you're ready to use it for the first time.

Making your first **Nespresso** coffee is simple:

- 1**  
Choose a coffee capsule
- 2**  
Lift the lid, insert the capsule then close the lid
- 3**  
Place your cup under the nozzle and press the button that's right for your cup size
- 4**  
Pick up your cup, look at the crema, smell the aroma, taste your coffee and enjoy the moment!

**Then wonder how you ever lived without being able to make this good a coffee at home.**
